Objective

Currently, I hold a position working at the Claremont Toyota Dealership in Claremont, California as a Service Greeter. I retain skills in customer service and sanitation, maintaining the work facility, and running errands when needed to (bringing paperwork, refilling the printers with paper, carrying heavy objects, etc). I've recently acquired service writing skills as a hybrid express writer, meaning that I am mobilized as one when there is a high volume of customers on the service drive. My main objective is to utilize the additional skills that I have acquired from obtaining my automotive certificate and business degree into becoming a service advisor and to further carry out excellent customer service and professionalism within the service department.

Experience

Big 5 Sporting Goods / Sales Associate

February 2021 - June 2024, La Puente, CA

This role primarily focuses on customer service, inventory stocking, pricing duties, product familiarity, sanitation, and organizing the sales floor.

Walmart Supercenter / Overnight Stocker Associate

December 2022 - May 2023, City of Industry, CA

As an overnight stocker, we centered our attention on making sure the shelves were stocked up enough and the products fronted presentably. Depending on our assigned roles, we would also take responsibility in crushing trash with our company trash compactor, loading up unneeded pallets on trucks, cleaning up dirty aisles, and unloading produce pallets filled with meat, vegetables, and other various frozen products.

Puente Hills Toyota / Service Valet

May 2023 - August 2024, City of Industry, CA

As a service valet, I was responsible for greeting customers, parking customer vehicle's to their designated locations, did routine monthly fire extinguisher safety inspections, assuring the cleanliness of the work environment(service drive, mechanic shop,etc), closing the service department side of the dealership, and assisting customers to their desired place of interest (walking customers to their place, directing them to the department, etc). I was also responsible for assisting service advisors from helping them check in cars for service, taking paperwork to mechanics, refilling printers with ink and or paper, and other numerous small tasks.

Claremont Toyota / Service Greeter

November 2024 - Present, Claremont, CA

As a service greeter, it is my responsibility to assist customers with any questions they have, pairing them up with the right service advisor that is

most suitable, and making sure that customers are met by their advisors in a timely matter. When needed, I am also in charge of the check-in process at our front greeter stand to check in customers for their advisors or assign them to our queue for the next available via a smartphone app. Similar to the service valet position, I was also responsible for helping service advisors and mechanics when need to do so. I have also received basic training in service writing, including various tasks which include writing up the repair orders, informing customers about their overall service, providing multi-point inspection information via text, email, and on paper, recommendations, and providing technician-given videos through text message.

Sales and Customer Service Skills

- Demonstrated customer service skills within the sales department for customer satisfaction
- Regularly sanitized working stations and cleansed shelving and floors around the store
- Responsible for handling cash at the cash register when needed, in addition to bagging merchandise, greeting customers, and maintaining the clothes department
- Takes charge in answering telephone calls for customer requests and inquiries
- Utilizes the public announcement system through our telephone system for important employee and manager requests
- Greets customers at the store when within the peripheral area of the front door
- Handled the loading and unloading of delivery trucks and ensured the restocking of aisle shelves.
- Experience in writing up repair orders and informing customers on their multi-point inspection reports
